Professional Summary

Detail-oriented Information Technology undergraduate with hands-on experience in designing and developing web and enterprise management systems. Skilled in Java, PHP, HTML, CSS, MySQL, and Tomcat, with a strong foundation in object-oriented programming and database management. Demonstrated ability to deliver practical solutions through academic projects, including a Travel and Tourism Management System and a Staff Management System. Eager to contribute technical expertise, collaborative spirit, and a commitment to continuous learning to a dynamic software development team.

Technical Skills

- **Languages:** C, C++, Java, JavaScript, Python, HTML, CSS

- **Frameworks/Libraries:** Tomcat

- **Databases:** SQL Server

- **DevOps/Cloud:** Microsoft Azure, GitHub

- **Testing Tools:** Postman (API Testing)

- **Other Tools:** Figma, Canva

Projects

Staff Management System — *2025*
Java, MySQL, Tomcat
Developed an enterprise application to automate staff scheduling, attendance, and payroll management, following the MVC architecture for clean separation of concerns. Designed a secure MySQL database and implemented backend logic in Java, deploying the solution on a Tomcat server for reliability and scalability.

Travel and Tourism Management System — *2024*
HTML, CSS, PHP, MySQL
Built a responsive web platform for managing travel bookings and customer information. Integrated user authentication and real-time booking updates with PHP and MySQL, focusing on secure data handling and a user-friendly interface.

Education

BSc (Hons) in IT – Specializing in Information Technology
SLIIT Campus, Sri Lanka

2023 – Present

G.C.E. Advanced Level — Valaichenai Hindu College   *2021*

Soft Skills

- Communication

- Teamwork

- Leadership

- Problem Solving

- Adaptability
- Time Management
- Critical Thinking
- Self-Motivation

Languages

- Tamil – Fluent
- Sinhala – Fluent
- English – Fluent

Certifications & Highlights

- Experienced in API testing with Postman.
- Participated in Agile-based academic team projects
- Active contributor to GitHub and open-source initiatives
